

# MAKE AN IMPACT

## RIDE FOR THE CURE®

**SATURDAY, JULY 15, 2017**  
**BRIGHTON HIGH SCHOOL**  
**BRIGHTON, MI**

Early detection saves lives. When breast cancer is found early, the survival rate is 99%. However, roughly 30% of breast cancer diagnoses in Michigan are considered “late stage.” There is still work to be done. **JOIN US** this year to help ensure that all women and men in Mid-Michigan are able to find breast cancer early and win the fight!

- 15, 30, 60 and 100 mile routes available
- Fully supported ride including SAG, meals, and rest stops
- \$200 minimum fundraising amount
- Post-Ride celebration and awards
